4. If there is any clarification, problem, ambiguity or question regarding this bid, you must contact the County Manager or designee prior to the bid opening. Clarifications and addenda will be considered prior to the bid opening. Answers provided regarding the bid specifications or bid package MUST be answered by the County Manager or designee. Questions answered by any other person or County official shall be considered completely non-applicable to the legal provisions of this bid, except as specifically authorized by the County Manager.
5. Restrictive Specifications: It is the responsibility of the prospective bidder to review the entire Invitation to Bid (ITB) packet and to notify the purchasing department if the specifications are formulated in a manner which would unnecessarily restrict competition. 6. An in-state resident or resident veteran preference will be given to all resident New Mexico businesses that have been issued certification by the State of New Mexico. **To qualify for the preference, the bidder must complete and fill in the New Mexico Bidder's Preference Number on the attached Quotation Sheet and submit a copy of the certificate with the bid.** If you have a question regarding a Resident Business (or Resident Veteran Business) Certification, or wish to be given a number, you may contact the New Mexico State Department of Taxation and Revenue at 505-827-0951. Please note that this number is NOT your State CRS Number (i.e. 01-503047-004).
7. Bid Forms: All pages included in this Invitation to Bid that are marked Bid Form 1, 2 and 3 must be completed and returned as part of the bid document. All bids must be completed and securely sealed prior to submitting to the purchasing office. No un-sealed, faxed or e-mailed bids are acceptable.
8. Variations: Bidders shall list on a separate sheet of paper any variations from or exceptions to the conditions and specifications of this bid. **This sheet shall be labeled "Exception(s) to Bid Conditions" and shall be included with bid.**

Such decisions are strictly at the discretion of the County.

Subject: Curry County New Mexico - Roof Replacements

Mr. Lucero:

Please recall our telephone conversation yesterday concerning the roof replacements at Curry County New Mexico for damages resulting from the July 2, 2013 and August 15, 2013 hail storms. We have fourteen buildings where the roof was damaged to the point that the roof coverings will require replacement. We are seeking written permission to proceed with securing contractor bids on the roof replacements without submitting architect plans and specifications to the CID for approval. The bidding documents will be prepared and bids secured by the Curry County Building Department.

All buildings involved are the property of Curry County New Mexico. None of the roof covering replacements involve replacement or alterations to the roof decking or framing systems. The roofs will be replaced down to the decking, where applicable. Five of the buildings have metal roof systems mechanically attached to purlins. The metal roofs are corrugated metal panels over open wall livestock barns at the county fairgrounds. I have provided below the requested information on each building involved including the name of the building, address, roof type, roof size and a summary of the scope of work. All roofs will be replaced with the exact type of roof system that currently exist or with equal like kind & quality.
