Irene Durham has been volunteering at La Casa Senior Center for about 9 months. Her tasks there include arts and crafts, specifically embroidering, crochet, and jewelry making. Irene also serves as the secretary on the Board of Directors for the Center. Additionally, she collects money for Bingo, brings snacks for Bingo and works in the kitchen whenever she is needed. Before all that, Irene worked as the Floral Manager for Albertsons. In her spare time she enjoys painting, puzzles, reading and anything that has to do with crafts. Irene is looking forward to spring, Daylight Savings Time, and St. Patrick's Day in March. Her lively spirit and positive outlook spice up a dull room and bring encouragement to those around her. We are extremely grateful for all her hard work and selfless attitude!

"The good feeling you get inside is worth all you do...the feeling God lets you feel inside your heart." ~ Irene Durham

Did you know??

- Benjamin Franklin first suggested Daylight Savings Time in the United States but it was not implemented until World War I?
- St. Patrick is most well known for bringing Christianity to Ireland?
- Daylight Savings Time Begins March 8th....spring your clocks forward!
